THE MIDDLEBURY CAMPUS

VOL. XI. THE MIDDLEBURY CAMPUS, WEDNESDAY, MAY 26, 1915. No. 8.

COMMENCEMENT PROGRAM COMPLETED

Bigger Program Than Ever Before Arranged. Anticipate Largest Commencement Ever Held.

There will be something doing every minute of the time this year. Attractions have been added that will make every alumnus long to come back, and come if he possibly can. With the arrangement that Manager Kimball has just effected, shifting the Vermont games of June 12 and 19 so that the game of June 19 will be played at Middlebury on the Porter field instead of at Burlington, a mammoth head-liner has been secured. Just think of it! What Alumnus would not come back, if he Vermont? It is bound to be a good game and there are those who wouldn't mind joining it a Nightshirt Parade even now if things should happen to go our way.

There are the two plays by the Ben Greet Woodland Players to be given on the campus in the true Shakespearean style. The company is the big one that has been headed by Mr. Greet himself. It consists of 28 people and the cast is to be assisted by a string quartette selected from the New York Symphony orchestra.

The Burlesque Track Meet should be a scream. It is being arranged by Coach Murch, Captain Kron and Manager Shea. Those who witnessed the one of last spring will vouch for Coach Murch's ability along this line.

Bread Loaf Day will surely be an innovation. All former students of the college wiil be carried free to Bread Loaf by automobile. In addition to the Alumni Luncheon numerous class reunions and meetings are being arranged to be held there during the day.

The Campus Night Celebration Tuesday evening will be in charge of the students and a musical program is being arranged that will in itself repay one for a visit to the old college.

There are several features of the program for which the time, etc., have not as yet been arranged. Complete detailed information will, however, be furnished to all Alumni as soon as these arrangements are fully made.

NO HIT—NO RUN.

MacLaughlin Shuts Out St. Lawrence in Sensational Game. Loder, Bartlett and Robinson Get Home Runs.

Shutting out St. Lawrence with no hits or runs, striking out 12, allowing but thirty men to come to bat and keeping the ball always in the infield, was the record which "Bill" MacLaughlin made for himself in Monday's game on Porter Field.

The game was one of the most sensational ones which Middlebury has ever witnessed in spite of the walkaway which the game proved to be for Middlebury. In addition to a no-hit-were treated to a unique surprise in the seventh, when Loder, Bartlett and Robinson each whaled out home runs, the first two going over left field fence, and "Robby's, a clean hit, going to deep right center. But one Middlebury batter failed to get a hit, while in addition to the three home runs already mentioned, MacLaughlin pulled a beautiful two bagger from the St. Lawrence twirler.

The St. Lawrence boys could not seem to find MacLaughlin, who was using his "spitter" with fine control, passing but two men during the nine innings.

Game by innings:

St. Lawrence. First Inning. Chappelle fanned; Osgood walked, advanced on Peet's sacrifice, Peet going out, MacLaughlin to Loder; Osgood stole third; Mitchell fanned.

Middlebury. Bartlett safe on error by Wilson; Bresnahan sacrificed, Early to MacDonald; Lamere hit to left field, but went out trying to stretch it to a double, Mitchell to Wilson; Bartlett scored; Haskins flied out to Palmer. One run.

St. Lawrence. Second Inning. Curry fanned; MacDonald walked, advancing to second, and Palmer reaching first on Bresnahan's error; Wilson sacrificed, MacLaughlin to Loder, Early out the same way.

Middlebury. MacLaughlin hit through second; Robinson walked; Dewhirst bunted, forcing MacLaughlin out at third, Curry to Osgood; Jones sacrificed, Early to MacDonald, Loder out, Early to MacDonald.

St. Lawrence. Third Inning. Chappelle out, Bresnahan to Loder; Osgood fanned; Peet out, Dewhirst to Loder.

Middlebury. Bartlett walked; "Tommy" fanned; Lamere out on a fly bunt to Osgood, Bartlett doubling off first.

St. Lawence. Fourth Inning. Mitchell out, Bresnahan to Loder; Curry fanned; McDonald out, Jones to Loder.

Middlebury. Haskins out on a drive to Osgood; "Bill Mac" walked; "Robby" flied to Wilson; Dewhirst fouled to MacDonald.

St. Lawrence. Fifth Inning. Palmer out, Bresnahan to Loder; Wilson fanned; Early flied to Jones.

Middlebury. Jones flied to Palmer; Loder walked; Bartlett hit over second; Joe Lamere beat out an infield hit, filling bases; Haskins fouled to Curry.

St. Lawrence. Sixth Inning. Chappelle out, Haskins to Loder, Haskins dropping the third strike; Osgood fanned; Peet out, Dewhirst to Loder.

Middlebury. MacLaughlin safe on error by Early; "Robby" sacrified, right field, but was thrown out trying to stretch it, Chappelle to Wilson, MacLaughlin scoring on the play. Jones flied out to Wilson. One run.

St. Lawrence. Seventh Inning. Mitchell out, Jones to Loder; Curry grounded to Loder; MacDonald out, MacLaughlin to Loder.

Middlebury. Loder and Bartlett both put the ball over the left field fence for home runs; "Tommy" hit to right field; Lamere beat out an infield hit; Haskins bunted, filling the bases; Early threw to Wilson, trying to catch Lamere off second, Wilson threw home wild, Bresnahan and Lamere both scoring and Haskins reaching third; MacLaughlin fanned; "Robby" got a home run to deep right field, scoring Haskins ahead of him. Dewhirst out, Early to MacDonald; Jones out, Mitchell to MacDonald. Six runs.

St. Lawrence. Eighth inning. Palmer reached first on a bad throw by Dewhirst, but was thrown out in attempting to steal second, Haskins to Jones. Wilson and Early fanned.

Middlebury. Loder safe on error by MacDonald; stole second and reached third on a pass ball; Bartlett out, Early to MacDonald; Bresnahan flied out to Palmer; Lamere beat out a bunt, scoring Loder; Lamere stole second, reaching third on a pass ball; Haskins singled, scoring Lamere; MacLaughlin doubled to left field; "Robby" fanned. Two runs.

St. Lawrence. Ninth inning. Chappelle flied to Jones; Clements, batting for Osgood, fanned; Peet struck out, ending the game.

He prepared for college at Burr and Burton Seminary. During the war he was Commissary Sergeant of the 14th regiment, Vermont volunteers. After completing a course of study at Albany Law School, he was admitted to the bar in 1866 and has practiced his profession at Sparta. He held the position of District Attorney for Munroe County, Wis., from 1869—1870, and has been a bank cashier in that city since 1872.

Dr. Royal J. Eddy, a graduate of Middlebury in the year 1866 and a prominent physician for many years in Salisbury, Vt., Bristol, Vt., and in Glens Falls, N. Y., died at his home in Glens Falls May 6th, after three months' illness.

Dr. Eddy was born on July 15, 1842, at Newhall, Vermont. He prepared for college at Burr and Burton Seminary in Manchester, Vt. He was a member of the Chi Psi fraternity at Middlebury and delivered the Greek oration upon his graduation. He received his medical training at the New York College of Physicians and Surgeons and Bellevue Hospital, recieving a degree as well for a course of study at the University of Vermont. He was married in 1869 to Miss Elizabeth Sanford of Salisbury, Vt., who survives him.

Dr. Eddy has been known as the dean of his profession in Warren County, N. Y. Glens Falls has been particularly fortunate in having the services of Dr. Eddy for so many years and the Glens Falls Hospital and the Glens Falls Medical and Surgical society will remain as monuments to his memory. Of the latter institution Dr. Eddy was organizer and for thirty-five consecutive years president.

Besides his widow Dr. Eddy is survived by two sons, Sanford S. Eddy of Glens Falls and David J. Eddy of Houston, Texas, and two grandchildren, William J. Eddy and Katherine Elizabeth Sanford Eddy.

EDITORIAL.

A Fire Department.

About a year ago the question of a student fire department was first discussed, but not until one of the new and finest buildings on the campus was threatened with destruction did the thought movement of that time crystallize into anything material.

The danger of fire was sternly apparent at the fire in the chemistry building the Saturday of Junior Week, and apparent too, was the inadequacy of the local protective organization to climb the hill in time to be of sufficient service in a fire of much size. The fire in question was discovered and fought for some time by students before the village apparatus was able to get up the hill. With suitable chemical apparatus the fire of Junior Week might have been extinguished in a few minutes time by the volunteer student force. With suitable apparatus and the order which proper organization and drill would produce, any fire on the campus could be as efficiently handled by a student department as by any village fire organization and the advantage of having a fire department on the hill will be appreciated by all who are familiar with the grounds.

We are glad to know that Asst. Dean Wiley now has the matter in hand and feel sure that the student body will cooperate with him in an earnest and serious manner in the organization and drill of a college fire department. If the college co-operates, as Mr. Wiley promises, by purchasing the necessary chemicals, ladders and hose, it ought not be long before we shall see regular fire drills conducted, practice in emptying the buildings of their occupants and in attacking fires at various points, indulged in, and whatever else is necessary in the maintenance of an efficient department worked out and established. In connection with this point we would also suggest that whatever changes are necessary in the buildings themselves to reduce the fire risk, be made. Doors from the buildings should be made to swing outward, more fire escapes on the dormitories provided, and with an organized student body, fire extinguishers could probably be placed in the various halls for emergency purposes without danger of molestation from that quota of the student body that under other circumstances might feel called upon to exercise their overtrained sense of humor.

Here is another chance for the student body to help the college. A fire department would be an honor to the College and to the officers in charge. Let us get behind Mr. Wiley and push this project to successful attainment.

COLLEGE NOTES.

Mr. and Mrs. Holmes of Springfield are in Middlebury for two weeks. Mr. Holmes, who is to be the football coach next fall, has taken charge of the spring practice, which is held every afternoon on the athletic field at 4:30. The men are given passing and signal practice.

A smoker was held in the gymnasium May 19, to give the track team representatives, who left Thursday for the N. E. I. A. A. meet, a send-off. It was the first smoker ever held in connection with track athletics at Middlebury. Very interesting talks were given by Prof. Wetherell, Mgr. Shea, Capt. Kron, Coach Jones and Coach Holmes. The ribbons won at the U. V. M. track meet were distributed.

The Parker prize speaking try-outs were held last week in the chapel. Each fraternity, the Amica club, and the neutrals had one representative. The four men chosen were Anderson, Ober, Reid and Stone. Dr. Averill, Mr. A. W. Dickens and Rev. Roy E. Whittemore acted as judges. The four men chosen, together with those of the sophomore class, will be given individual training by Dr. Kellogg.

A "Smoker" was held last night in the gymnasium to give the baseball team a send off on the trip upon which they started today. Dean Wright, Mr. Joseph Peck, Coach Murch, Captain Haskins and Manager Kimball spoke. President Day presided.

The second team lost to Troy Conference Academy 2-1 in a game played Saturday last. The game was at times loose but proved exciting and interesting. Davis pitched an excellent game for Middlebury Seconds.

Mr. W. Sauter of Schenectady, N. Y., representative of the Standard Oil company in Egypt, has been the guest of Ottman, '17, at the K. D. R. house.

A class meeting was held by the Senior class today in which the Senior ball and other matters were discussed.

Alpha Sigma Phi is planning a reunion for Commencement Week.

Floyd, '16, has been elected president of the debating society; Ottman, '17, secretary-treasurer, and Miller, '17, manager.

Miss Kendal '15 and Miss Harlow '15 visited at Pittsford Friday.

Miss Julia Carter '13 spent Saturday on the hill.

Gives Lecture.

A series of lectures are to be given by members of the faculty to the student body. The first one was given by Prof. Wright last week in the men's chapel. He spoke on "The Keeping of a Notebook" and gave extracts from his own notebooks kept while he was traveling in Europe. The lecture was well attended and proved interesting and inspiring.

Eight Weeks' Club.

An Eight Weeks' Club has been formed under the auspices of the Y. W. C. A. Three meetings have been held under the leadership of Mrs. Wiley, Miss Spaulding and Mrs. Bryant. The next one will be conducted by Mrs. Burrage. The purpose of the club is to train the girls so that they may conduct Eight Weeks' Classes during the summer. These classes are for girls from eight to twenty and aim to teach them such things as cooking and sewing, interest them in literature and give them a good time.

Prof. Harrington will speak at the Y. W. C. A. meeting Thursday afternoon.

Alpha Chi Reunion.

Just as there is to be a bigger and better Commencement in Middlebury this year, so the largest and most enthusiastic Alpha Chi reunion in the twenty-six years of its history is being planned. There is to be a large delegation of alumnae back, especially from the classes of '10 and '12. Contrary to the usual custom of holding a hurried reunion after the prize speaking, this year all of Monday afternoon will be devoted to this end.

—Additional alumnae names—Helen Haugh '14, Verena Suter '14, Mrs. Louis Clift '89.

SPORTING COLUMN.

Some game ! ! No hit; no run; No ball out of the infield; 30 men at bat. This was MacLaughlin's record in the St. Lawrence game.

And the merry-go-round started in the 7th, when Loder, Bartlett and "Robby" each knocked home runs.

Nice stop Loder made when "Dewey" threw wild to first.

St. Lawrence bucked up against a practically different team this week from the Middlebury team that played in Canton. The infield with one exception had been changed.

Coach "Sim" is looking ahead for next year's team all right.

The grand stand begins to take form. Welcome to our city.

We've made a nice record so far, winning ten out of eleven games. Let us work hard to get away with the big games to come.

Ray Fisher has become known as one of the three "Rays of Hope" for New York. Ray Keeting and Ray Caldwell are the other two.

We suggest that the proprietors of the peanut stand put in a gasoline tank. They ought to do a big business, to judge by the number of cars coming to the games.

And we meet U. V. M. in Middlebury Commencement. Some big time!

Two inter-fraternity games were held May 13. The Alpha Sigma Phi's defeated the Amica club 22 to 4 and the D. U.'s defeated the Delta Sigma's 25 to 7. Both of the games were one-sided and there was much loose playing.

The following men are taking the New York trip this week: Coach Murch, Capt. Haskins, Manager Kimball, Aylward, MacLaughlin, Crippen, Mott, Loder, Jones, Dewhirst, Pollard, Robinson, Bartlett and Lamere. They meet Hamilton, Colgate and Union.

Next Monday the team will meet Norwich at Northfield, and Saturday of next week they meet Williams at Williamstown.

Y. W. C. A. Notes.

Mrs. Abby Snell Burnell was with us over the 14th of May. She spoke to a large number of the Y. W. C. A. member's, and a few of the braver members of the Middlebury Union. Mrs. Burnell lived for some years in India and her talk, which took the form of an impersonation of a Hindo lady, was very real and exceedingly interesting. She was dressed in costume, and affected many little mannerisms which quite deceived some of her audience into thinking she was a really, truly, Brahmin lady.

MIDDLEBURY COLLEGE

ESTABLISHED IN 1800

A BIRD'S-EYE VIEW OF THE CAMPUS AND BUILDINGS

The College is now prepared to furnish to alumni and students a beautiful photogravure of the campus and buildings, from a drawing by Mr. J. M. Meeker. The size is 10x20 1-2. The paper is Dutch hand-made plate, of weight sufficient to be framed unmounted. All of the newer buildings of the college are shown, including the Mead Memorial Chapel. The picture is pronounced equal to any college bird's-eye view in impressiveness and beauty.

It is suggested that alumni may not only desire copies for themselves, but also for presentation to some high school.

Basketball.

The basketball season has been very successful this year from the financial point of view as well as in interest shown. Season tickets were sold and as most of the girls showed the right spirit the Athletic Association realized the munificent sum of fifteen dollars. The schedule was as follows:

Feb. 10—Seniors 0, Juniors 10,	Sophs. 22. Freshmen 0
Feb. 18—Juniors 1, Freshmen 7.	Seniors 2 Sophs 2
Mar. 3—Sophs 6.	Juniors 0

The Freshman—Senior game did not count as the Senior team was made up mostly of Sophomores.

Mar. 17—Juniors 20, Sophs 6,	Seniors 3 Freshman 2
Mar. 24—Sophs 22, Juniors 4,	Seniors 2 Freshmen 4

RECORD.

Games played, 9.

Sophs defeated, 1.
Juniors defeated, 1, tied, 1.
Freshman defeated, 2, tied, 1.

The championship game will be played by the Juniors and Sophomores Wednesday, May 26.

Tennis.

Because of the poor condition of the courts the tennis tournament has been delayed. The courts are being improved and in a few days will be ready for playing and in the best condition they have been in years. The tournament has been started and will continue as soon as the courts are completed.

In Pedagogy.

Prof. Mac.—Criticize the Pestollozian method.

Miss H.—Some teachers would beat around the bush and take a long time to get there.

Prof. Mac.—Supposing you had a Rabbitt in the bush, would you go straight to the point?

ALBANY LAW SCHOOL

The course of study leading to the degree of L. L. B. extends over a period of three years. Students who have pursued one or two years in a law office may enter the second year class as a candidate for a diploma but not a degree.

The high standard of the school and the facilities which the city affords with its legislature, libraries and courts, offer unequalled opportunity for a thorough and practical training.

New England Intercollegeiate Meet.

The New England Intercollegiates were held in Boston at the new "Tech." Field, May 21 and 22. For the first time in its history Middlebury was represented, and although "Midd" was not able to gain a place in the meet, her men showed up well, and in no event were by any means the first to drop out.

Manager Shea, Capt. Kron, Coach Jones, Condit, Hollister and Lee took the trip.

Capt. Kron was entered in the high jump, but went down with four others at 5 feet 7 inches. Condit was not throwing the hammer in his usual form, or he would have qualified for the finals. Hollister was shut out in his heat in the quarter, but Lee succeeded in qualifying for the semi-finals in the high hurdles.

All in all, Middlebury made a very good start, and in future years will certainly give a good account of herself in this meet.
